

# SUPPLIER TRAINING – STANDARD ACCOUNT

SAP ARIBA - INDIA

# Objective of the Supplier Training

This training session is to share with B.Braun suppliers on the onboarding process to the procurement system, SAP Ariba for non-production purchases.

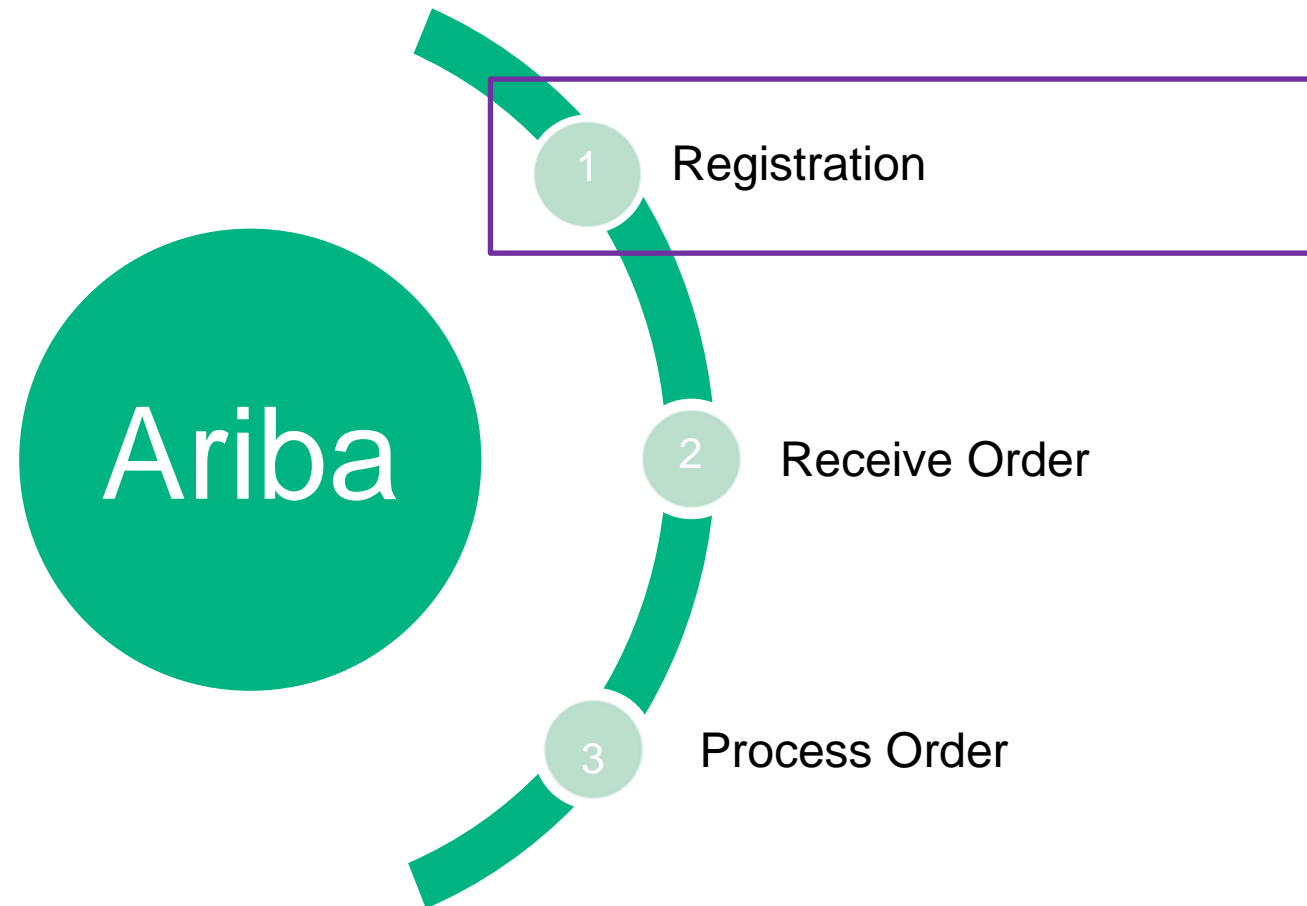

To start using Ariba, suppliers are required to go thru one time registration upon receipt of first Purchase Order from B.Braun. The usage of Ariba Standard Account is free of charge.

You will be receiving B.Braun Ariba PO from [ordersender-prod@ansmtp.ariba.com](mailto:ordersender-prod@ansmtp.ariba.com). To avoid PO transmission error, please inform your IT Personnel to whitelist the Ariba email address on your email server.

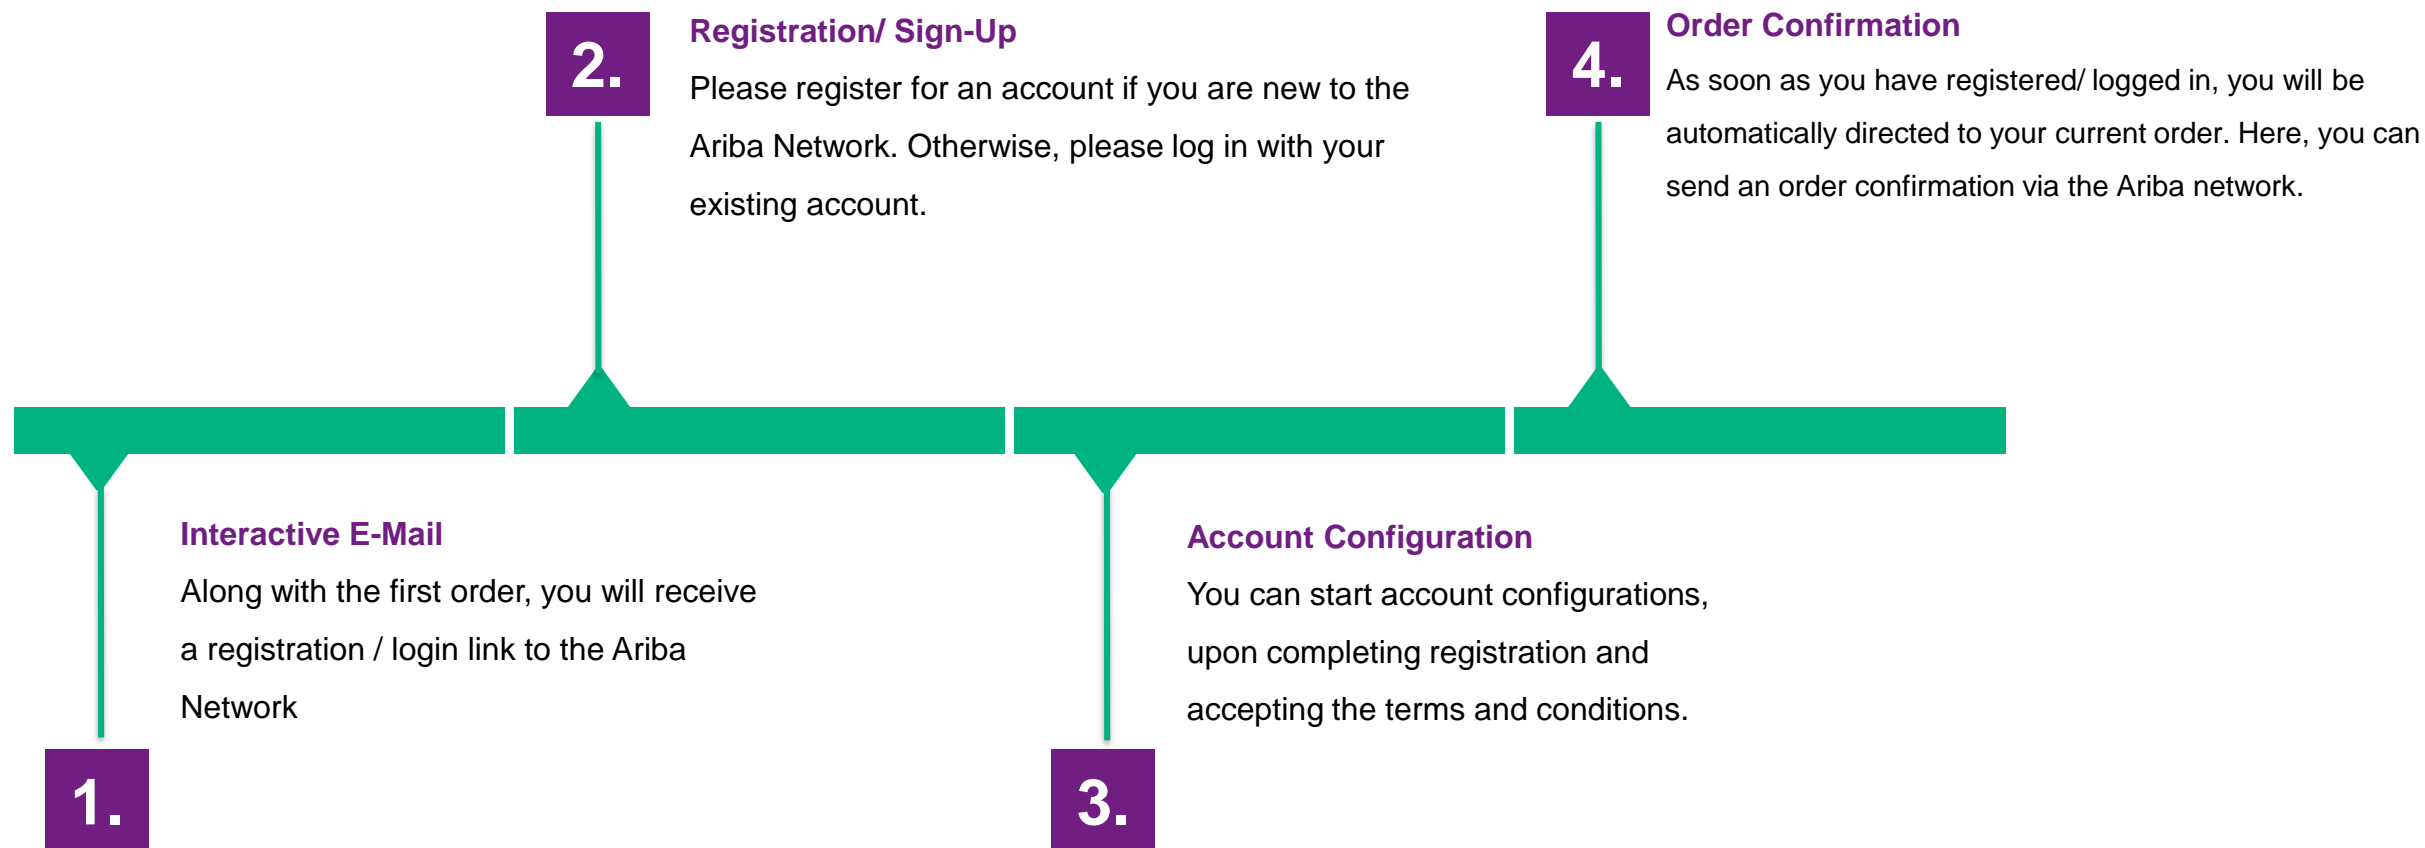

## Important

Kindly update us your latest email address for PO transmission. We can only maintain one generic email address in the new system. For email update, please email to [ebuy-procurement.in@bbraun.com](mailto:ebuy-procurement.in@bbraun.com)
